Emne: Fwd: Svar på nabovarsel om badstoge
Hei Mona

Denne mailen frå Vidar ser eg nå ikkje har kome i gjennom til deg, beklager at vi ikkje har oppdaga det.

Litt tilleggsopplysningar ift det Linda skriv.

For det fyrste, om vi ikkje får lov å leige ut, ber vi om å få bygge badstue til privat bruk. Synd om så skjer for vi ynskjer at fleire skal få glede av ein slik fasilitet. Med fleire folk både fastbuande og tilreisande i bygda, trur vi at det må vere fleire ulike fasiliteter rundt i bygda, og badstue har vi lyst til å kunne fasilitere om vi får mulighet for det.

Vi ser allikevel ikke for oss ein veldig stor strøm av folk, og badstua vil ligge ute av syne for Linda.

Vi kan gjerne sette opp et skille for å markere grensa til Linda sin tomt om det er ønskeleg. At det har vore ein utfordring med parkering på tomta hennar fram til nå forstår vi ikkje. Vi har aldri sett ein feilparkert bil på hennar tomt når vi har vore her.

Grasplenen er så stor at det både er plass til bilar og sno.

Toalett har vi innomhus om nokon skulle ha behov for det.

Det er klart at det kan bli litt meir folk, og derav noko meir lyd, men vi legg ikkje opp til ein festplass. Her legg vi opp til ro og rekreasjon. Det er det badstue og vinterbading er for oss.

Vennleg helsing Åsne Gro og Vidar Sandvik

Delivery has failed to these recipients or groups:

vidar.sanvik@lyse.net
The address you sent your message to wasn't found at the destination domain. It might be misspelled or it might not exist. Try to fix the problem by doing one or more of the following:

1. Send the message again, but before you do, delete and retype the address. If your email program automatically suggests an address to use, don't select it.
2. Clear the recipient AutoComplete cache in your email program by following the steps in this article: Status code 5.1.1. Then resend the message, but before you do, be sure to delete and retype the address.
3. Contact the recipient by some other means (by phone, for example) to confirm you're using the right address. Ask them if they've set up an email forwarding rule that could be forwarding your message to an incorrect address.

The following organization rejected your message: altibox-smtp8.altibox.no.
