Architectural drawing of a building, likely a house or shed, showing a side elevation. The drawing includes the following dimensions and features:

- Overall Length:** 15500 (indicated by a dimension line along the bottom edge).
- Roof Structure:** A gabled roof with rafters and a chimney on the left side.
- Windows:** Three windows are visible on the side wall, each with a grid pattern.
- Dimensions at the Top Right:**
 - 900 (vertical dimension from the roofline to the top of the wall)
 - 100 (vertical dimension from the top of the wall to the roofline)
 - 500 (vertical dimension from the top of the wall to the roofline)
 - 1500 (horizontal dimension from the left edge of the drawing to the right edge)
- Note:** "Word M=1:100" (written vertically on the right side).

Alternativ 2- Nytt stakittgjerde uten naturstensmur
